Great. Reads much better. Do you want to remove the blue/underline "October 14" so it is all regular black font? Not sure we need to draw that date like that, and think it may be a holdover redline/strikeout. (Keep the date of course)

Per Liz, this release will go tomorrow at noon eastern. EOC is reviewing and I will send the final to this group.

I'd like to see a plan of notifications - who is contacting whom?

Also, who in IC and R8 will be available for questions tomorrow?

Sounds good.

Looping Randy - Randy, are you and Dana prepared to take media inquiries this evening?

David and Shaun, will you be available into the evening to take media questions on this?

Richard and Shaun, what else needs to happen on your end, and what is the ETA?

I defer to Liz but believe it is too late to release this today. Would it be possible to release at 11am or noon Eastern tomorrow?
